

EMPOWIRE CAPABILITY STATEMENT

Professional Learning Systems for K-12 Implementation & Capacity Building

Empowire partners with K-12 schools and districts to design and implement sustainable professional learning systems aligned to district priorities and federal funding requirements. Through the LEAP + SPARK Framework™, Empowire supports compliance while prioritizing implementation and sustainability, strengthening instructional practice, building educator capacity, and reducing initiative overload.

Federal Funding Alignment (ESSA & CTE)

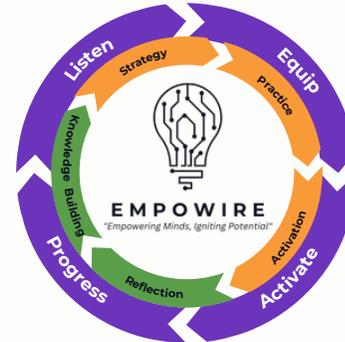

- ▶ Title I, Part A - Instructional improvement, staff capacity building, and equitable outcomes
- ▶ Title II, Part A - Sustained, job-embedded professional learning for teachers and leaders
- ▶ Title III - Instructional strategies and technology-supported access for multilingual learners
- ▶ Title IV, Part A - Well-rounded education, effective technology use, and supportive learning environments
- ▶ Perkins V (CTE) - Career-connected learning, instructional alignment, and purposeful technology integration

Services are structured to meet allowable use requirements and documentation expectations across applicable funding sources.

Core Competencies

- ✓ Professional Learning System Design & Facilitation
- ✓ Instructional Coaching & Capacity Building
- ✓ Curriculum & Instructional Alignment
- ✓ Purposeful Education Technology Integration
- ✓ Data-Informed Instruction & Reflection
- ✓ Leadership & Strategic Planning Support

Signature Framework: LEAP + SPARK Framework™

LEAP + SPARK aligns district strategy with classroom practice enabling leaders to design scalable PD systems while ensuring implementation, reflection, and continuous improvement.

Service Delivery Models

- ✓ In-person, virtual, or hybrid formats
- ✓ One day workshops, multi-session series, or long-term partnerships
- ✓ Embedded coaching and follow-up support
- ✓ Customizable Catalyst Collection™ programs aligned to district goals

Why Districts Select Empowire

- ✓ Systems-focused professional learning (not standalone sessions)
- ✓ Aligned to district leadership priorities and educator practice
- ✓ Scalable, sustainable, and measurable

Antoinette Bradley, Ed.D

Founder & Lead Consultant

Instructional coach, PD designer, and district partner with 13+ years of K-12 and post-secondary experience and a doctorate in Educational Technology
